## What happens at our Shiningstars

### Parent & Child Playgroup?

Our light and airy room is arranged with a variety of wooden and natural toys for the children to play with, including a very cosy home area.

There are big cushions to relax down into and read a book, next to the seasonal nature table. When the weather is fine, more time is spent out doors and in the summer there's a tipi on the field to have fun in.

A seasonally based craft activity is ongoing for the first hour or so for any one to join in with.

We have a little singing time together and a healthy snack, followed by time outside playing or exploring in our fabulous grounds.

Parents can join in with the crafts, or relax and chat with friends, and a wide selection of teas etc are available.

The morning ends with a special group story time.

And families are welcome to stay on and have a picnic in the gardens or help with our organic vegetable plot in the walled garden.

You are welcome to drop in any Friday during term time.

Our aim is simply to provide a happy space for all children and families to enjoy  
Older children are welcome—but please let us know in advance
