**Jeremy** is well-known in the White Eagle Community, since he began leading Services with his mother Ylana, his Aunt Joan and his brother Colum in 1978. Since then he has become very experienced at leading & facilitating Groups, Meditation and Retreats. Jeremy is the Principal of the Healing Department in the WEL. Currently he is developing the Healing aspect of the WEL Wisdom School. Jeremy will help us to expand our understanding of the relationship between the Star which White Eagle has given us to contemplate from the earliest days of the White Eagle Lodge. Jeremy is also renowned for his lovely singing voice, and we hope he will lead us in song and chant during the day.

Jeremy Hayward explains how we may best explore the meanings and mysteries behind the Rose and the Star, fundamental symbols in our spiritual work.

The Day will include Prayer, Meditation, & Music as well as Talks & Discussion, with our usual good fellowship over plenty of good vegetarian & vegan food! Please bring potlatch dishes (savoury and/or sweet) to share if you wish.

**Please return this bottom section cut off, and remember to include your cheque!**
