

Our Values and Approach

Each commitment of the organisation is accompanied by a quotation from the White Eagle teachings for amplification or counterpoint:

1. We believe that love and brotherhood make everything work.
'The foundation of brotherhood is love, not material things. If you get that foundation firmly laid, material things will fit into place, but if your foundation stone of love is not secure, no matter what you do with your mortal mind in the way of organisation and direction, it will not help.'
2. We believe in the empowerment of every individual through the finding of their own inner truth.
'All the power that you need for your awareness of the spheres from the humblest to the highest lies within your own being.'
3. The principle of service is fundamental to all our work.
'Take this keynote into your life tomorrow; the tomorrow which begins the life of everyday, the life of workshop and factory, warehouses and offices and schools, and the many varying phases of activity. Take into this world the will to serve.'
4. We respect and honour all the many ways of being.
'Spiritual truth is fluid. You can get principles upon which to work, but truth is like a great river with many tributaries.'
5. We seek inner spiritual guidance in all we do and acknowledge the reality of other realms of consciousness.
'A time will come when every soul will be aware of its higher life and its true self. Then it will be able to see the two selves in contrast – the limited earthly self and the higher, heavenly and eternal self. As development proceeds the higher self becomes stronger and more in evidence in everyday life. Then problems and difficulties no longer overwhelm you; they keep their rightful place. You develop vision, not only of God and of heavenly things, but also of earthly things. You see things in their true perspective.'
6. We recognise that our spiritual aims take precedence and are emphasised whenever possible.

'God is as much in your physical body as in your higher spiritual consciousness, and though you may experience illumination out of the body, you must be able to express it and live it, in the body.'

7. We acknowledge that we are a spiritually motivated organisation and as such we will do our best to reflect this in all our organisational relationships.

'Understand, however, that you yourselves must work in your everyday life; it is your reactions to physical matter and the conditions of life that really bring about attunement, achievement. Can you react as a gentle brother to all the conditions and all the circumstances of life?'

8. We seek to be open and accountable as a public charity.

'The very best school for the pupil or disciple is that of everyday contacts with ordinary people in an everyday world.'
